**The Ford is a Medium of Pleasure**

Just as money is a medium of exchange. After you have bought that Ford, take your wife and the kiddies and beat it for the open country. Take any road leading out of the city; then, when you reach a spot that looks good to you, stop. Let the little folks romp around under the trees or over the hills until they have a healthy tan and have lost that feeling of dreariness that every schoolboy or girl feels when the first warm weather comes.
